SPIRE

Elite 3 & 4 Bedroom Residences

a tour of **THE ARROWHEAD**

WE PLANNED SPIRE WITH A DISTINCTIVE 'ARROWHEAD' LAYOUT

We wanted the benefit of being in a central location, on a main access road to coexist with the benefit of being located within Jayanagar's mature and planned surroundings.

How did we do this? We planned Spire with a distinctive 'arrowhead' layout. Basically, two blocks of apartments have been placed at a 12° angle and fixed at one end, to create a form that resembles an arrowhead. The 'arrowhead', so to speak, is pointed towards Jayanagar and away from the main road.
