Structural Stability cum Completion Certificate
Block-2

This is to certify that the "Multi Storied Residential Apartments Complex" developed by M/s.Palladium Constructions Pvt. Ltd, No.1, BBMP Ward No.67. (Nagapura), Dr.Rajkumar Road, Industrial Suburb, Rajajinagar, Bangalore - 560010 is structurally designed by me based on the architectural drawings of M/s. RSP Design Consultants (India) Pvt. Ltd, Museum Road, Bangalore - 560001 submitted to the development authority vide BBMP LP No:BBMP/Addl.Dir/JD SOUTH 0020 /12-13.

I have studied the soil investigation report in detail and the soil conditions are adequate for the proposed construction.

The Building is designed for 3 Basements + Ground Floor + 30 Upper Floors + Terrace Floor only. The structure is a Reinforced Concrete structure with Concrete Shear wall / Beam-slab/Flat - Slab system and is complying with the Bureau of Indian Standard norms for seismic forces - IS:1893 with co-efficient applicable for Zone -II and design is suitable for the purpose of usage.

The design development of the structure is started during the second quarter of 2013. Hence the forces considered as per Zone -II based on IS:1893-2002 are applicable.
