B.N. SHAH & ASSOCIATES

I further certify that to the best of my knowledge & belief, the structural work of the Rehab building carried out is as per prescribed & applicable standards & codes, rules regulations & stipulations & the material used & work is fit for the intended use.

This certificate is issued on the clear understanding that my overall responsibility for the structural stability of the building & its proper structural performance will cease the moment any additions & alterations to the structure are carried out or damage is caused to the structural frame by accident or due to the tempering by users or occupants for any reasons whatsoever. My responsibility will also cease in the event of overloading or lack of proper maintenance of the structure or any such act, which is detrimental to the structure.

Thanking you,
Yours Sincerely,

Shashank Mehendale
